Instructions for Quoter:

Fill in the unit price and extended price for each item.

Fill in the grand total amount.

[Add or delete line items as needed. For each line item used, insert a description, required quantity, and unit of issue (e.g., EA). Qty and U/I should normally mirror what is expected for invoicing. E.g., if invoicing is expected to be paid based on each item delivered then something like 10 EA would be appropriate; if invoicing will only be allowed and paid after all items are delivered then something like 1 EA would be appropriate.]
